

Parent Endorsement of Kids' Creek Early Care & Education Policy

I have read and reviewed the Parent Handbook at www.kidscreekbc.org under Forms and have been made aware of the procedures of Messiah as they relate to my child(ren) in his or her (their) enrollment at Early Care & Education. I may also request a hard copy of the Parent Handbook if I would rather read it on paper. I also understand that I have the right to discuss any concerns or recommendations with the Early Childhood Coordinator.
